Welcome to the October 2007 FeedAC e-mail update. The following is a glimpse of the month's activity.

- ❖ A white paper on NIR scanning and DDGS was recently posted in the general discussion section of the website for member viewing. To view the document, click this link <http://www.feedac.org/discussion/>. Please log-in, read the document and share your thoughts and recommendations.
- ❖ The **First Joint FeedAC, NFTA, & NIRSC Conference** will be held on February 13-15, 2008, at the University Place Conference Center & Hotel, Indianapolis, IN. We are pleased to announce this joint meeting and as soon as an agenda is finalized it will be shared via each organization's website.
- ❖ The results from the member's survey are compiled and are available for members to view in the communications section of the FeedAC website. Please be sure to review and see if your opinions were shared by other members. The Board of Directors wishes to thank all who took the time and participated.
- ❖ **2008 Sponsorship/Membership Renewals:** All 2007 sponsors/members, please be on the lookout for your 2008 renewal form. Our Membership and Operations Committees are working on the documents, including a 2008 plan of work, to be included in this year's Sponsorship/Membership Packet.
- ❖ Welcome to all new collaborators. The list of collaborator members continues to grow! If you wish to be a collaborator, please visit the following weblink and sign up. http://www.feedac.org/collab_form.asp.

Please visit www.feedac.org to view the latest information on all these events plus more.

Thank you.
